Warrant

To the inhabitants of the Town of Milan in the County of Coos and the State of New Hampshire, qualified to vote in town affairs:

You are hereby notified to meet at the West Milan Town Hall on Tuesday, the 5th day of March, at nine of the clock in the forenoon to act on the following subjects:

1. To choose delegates to the Constitutional Convention.
2. To choose all town officers for the ensuing year.
3. To see what sum of money the town will vote to raise for town officers' salaries.
4. To see what sum of money the town will vote to raise for town officers' expenses.
5. To see what sum of money the town will vote to raise for summer and winter road and bridge maintenance.
6. To see if the town will vote to raise the sum of \$368.68 and the State will give the sum of \$2,457.89 for Town Road Aid.
7. To see what sum of money the town will vote to raise for town poor.
8. To see what sum of money the town will vote to raise for Old Age Assistance.
9. To see what sum of money the town will vote to raise for aid to soldiers and their families.
10. To see what sum of money the town will vote to raise for the White Mountain Regions Association.
11. To see what sum of money the town will vote to raise for Civil Defense.
12. To see what sum of money the town will vote to raise for the North Country Community Services Program.
13. To see what sum of money the town will vote to raise for the support of the Milan Home Nursing Center.
14. To see what sum of money the town will vote to raise for the Regional Ambulance Program.
15. To see if the town will vote to adopt an ordinance for the protection of persons and property under our essays 31;39 as printed on pages of the town report.

TOWN OF MILAN PLANNING BOARD ORDINANCE

Purpose: An ordinance adopted under the law enforcement powers of the Town of Milan as authorized by RSA 31, Section 39 for the purpose of promoting the health, safety and protection of the citizens of Milan, promoting better buildings and to keep the infiltration of shacks and slum areas from our community, to insure a certain amount of safety from fire or other unknown hazards that place a person or persons near or present in a foreseeable danger, peril or jeopardy.

SECTION I:

Definitions. Terms used in this chapter shall be construed as follows and for the purpose of this chapter, unless a different meaning is clearly apparent from the language or context:

- I. "Right-of-Way" shall mean and include all present and proposed town, state and federal highways and the land on either side of same as covered by statutes to determine the widths of rights-of-way.
- II. "Permanent Resident" refers to an individual or family using any building continuously as a residence for a period of six months or more.
- III. "Frontage" shall mean that portion of a lot bordering on a highway, street or right-of-way.
- IV. "Setback" shall mean the distance between the nearest portion of a building and a lot or right-of-way line, whichever is closer.
- V. "Permanent Building" shall mean any building resting upon a foundation or otherwise legally defined as "Real Estate."
- VI. "Mobile Home" shall mean a vehicle so constructed as to permit its being used as a conveyance upon a public street, and designed to permit occupancy for one or more persons. Such a vehicle is equipped with running water and sanitary facilities such as bath and toilet. A travel vehicle is not to be considered a mobile home.
- VII. "Non-Conforming" shall mean use of land, building or premise which is not a use permitted by the provisions of this ordinance for the district in which such land, building or premise is situated.
- VIII. "Board" shall mean Board of Adjustment.
- IX. "Lot" shall mean a parcel of land at least sufficient in size to meet the minimum requirements for use, coverage and area and to provide required yards and other open spaces. An undersize lot is permissible, if it passes state standards

SECTION I: (Cont.)

for soil conditions and substantially meets the requirements here, if in existence on effective date of this ordinance.

- X. "Agricultural Use" shall mean land used for agriculture, farming, dairying, pasturage, apiculture, horticulture, floriculture, silviculture and animal and poultry husbandry.

SECTION II:

Districting. For the purpose of regulating the use of land and the location and construction of buildings, the town, after adopting the provisions of this ordinance shall be considered as one district with the following regulations and restrictions:

1. Permits: After this ordinance is accepted and adopted by the town, it shall be unlawful to erect any dwelling or alter the general appearance of any dwelling without first obtaining a town permit. Exterior alteration or additions on dwellings, where the cost of labor and materials will exceed a fair market value of \$250.00, will require a permit. The building is to be finished on the exterior in a permanent manner, in keeping with the other buildings in the neighborhood, and shall be painted if the material is of the type that is customarily painted. (Part of the 1959 Health and Safety Ordinance, Article III, as passed by voters of Milan at legal town meeting.)
2. Septic Systems: No septic system shall be installed within the town limits upon any land unless first approved by the New Hampshire Water Pollution Board and a copy of said permit has been given to the proper town authorities.
3. Usage: It shall be a district of residential agricultural use only. Business, commercial and industrial uses are prohibited in this district except as hereinafter provided.
4. Lots: Lots shall be at least one acre minimum in size, or larger, depending on soil and slope conditions, as may be suitable to sustain development according to state standards, unless there is a community water system and community septic system.
5. Distance: There shall be observed the following setbacks in the construction of new buildings or in the relocation of existing ones:
 - a. Minimum distance between any building and the edge of a right-of-way shall be twenty-five feet.
 - b. Buildings shall be set back at least 20 feet from side and rear lot lines.
6. No building, residence, trailer or mobile home may be located any where in this district unless it meets all of the area and yard requirements of a residence in this district.

SECTION II: (Cont.)

7. Mobile Homes: Mobile homes shall be skirted the full length and width of the trailer base, except those placed on a full permanent stone, brick, cement block or concrete foundation.
8. Junk Cars: Not more than (2) unregistered cars which are unfit for use on the highways and cannot meet state motor vehicle inspection tests shall be allowed on any particular owners land exposed to public view from any road or street, excluding farm trucks, tractors or related machinery.
9. Mobile Parks: The development and maintainance of water supply and sewage disposal within the park shall become the direct responsibility of the trailer park owner, plus, the building and maintainance of any and all roads in the trailer park. Trailer parks must conform to N. H. state statutes. No road shall be less than (24) feet in width. Mobile homes shall be skirted the full length and width of the trailer base, except those placed on a full permanent stone, brick, cement block or concrete foundation.
10. Upon passage of this ordinance new trailer parks shall not be allowed within the confines of this district.
11. Commercial: Business, commercial or industrial ventures may be given special exception by the Board of Adjustment, upon submission and approval of a site plan, provided, however, that the following regulations and restrictions shall be observed: All known abutters of any proposed business, commercial, or industrial site shall be notified by the Board of Adjustment by certified mail at least two weeks prior to any public hearing regarding said site. The citizens at large of the Town of Milan shall also be given two weeks notice of any public hearing by posting a notice in (3) public places.
12. Before mining, excavation, or removal of soil, rock, sand, or gravel or similar material, a special exception must be received from the Board of Adjustment, subject to the usual permit. When the removal of material is completed, sufficient grading must take place, within 60 days, to allow covering with two inches of top soil and seeding with suitable cover crop, except when ledge rock is exposed. The Board of Adjustment may require the posting of a bond with the Town Treasurer to insure compliance.

SECTION III:**NON-CONFORMING BUILDINGS, LAND OR USES.**

1. All non-conforming properties in active use when this ordinance is passed and adopted may continue indefinitely in their present use.

SECTION III: (Cont.)

2. Any and all non-conforming property may be altered and expended as the business and conditions warrant, providing, however, that any such expansion does not make any existing conforming structure non-conforming within the terms of this ordinance; nor shall such expansion bring any building within thirty-five feet of an abutter's building.
3. Any and all non-conforming property which is partially or totally destroyed by reason of obsolescence, fire or other act of God, may be restored, remodeled and operated, if done within two years, even though a transfer of ownership has taken place.

SECTION IV:

BOARD OF ADJUSTMENT AND ADMINISTRATIVE PROVISIONS:

1. The Board of Selectmen shall act as the building inspector and administrative officer charged with enforcement and may issue building or use permits in the first instance, where clearly permitted by law.
2. The applicable provisions of this ordinance shall govern motions for rehearing, appeals, enforcement, and interpretations.
3. In addition to other remedies, any person convicted of violation of the provisions of this ordinance by a court of competent jurisdiction shall be subject to a fine of not more than fifty dollars for each offense. Each day shall constitute an offense.
4. The Board of Adjustment shall consist of five members, each to serve for a three year term following expiration of their initial terms of office. The first Board of Adjustment shall be appointed by the Board of Selectmen to serve for the following terms:

2 Members — 1 Yr. Term
2 Members — 2 Yr. Term
1 Member — 3 Yr. Term

Thereafter, members shall be elected at the annual town meeting.

5. No elected member shall serve more than (2) consecutive terms.

SECTION V:

Amendment: This ordinance may be amended by a majority vote of any legal town meeting when such amendment is placed in the Town Warrant calling for such meeting.

SECTION V: (Cont.)

Zoning ordinances passed prior to the Planning Board Ordinance are to be considered null and void, with the exception of the Airport Zoning Regulations adopted by the Town of Milan. This ordinance shall take effect immediately upon its passage.

16. To see if the town will vote to authorize the withdrawal from Revenue Sharing Fund established under the provisions of State and Local Assistance Act of 1972 for use as set-offs against budgeted appropriation for the following priority purposes and in the amounts indicated or take any other action hereon:

Appropriation	Amount
Highway & Bridge Maintenance	\$10,635.05

17. To see what sum of money the town will vote to raise for their local share for the North Country Council, Inc.
18. To see if the town will vote to give the Selectmen the authority to apply for, contract for and accept aid relative to disasters.
19. (By Petition) To see if the town will vote to provide suitable summer and winter storage space for a Fire Truck, within the confines of West Milan, and to provide such sums of money necessary for its heating and maintenance.
20. (By Petition) To see if the town will vote to accept the right of way and maintain for summer and winter maintenance, the Old Copperville Road, so-called, from the Arthur Leclerc property to the end of the Eugene Leclerc Property, a distance of approximately 350 feet.
21. (By Petition) To see if the town will vote to raise and appropriate the sum of \$200.00 as a donation to the support of Alpha House, a group home for boys in Lancaster, serving the needs of boys with family and social problems in Coos and Grafton Counties.
22. To see if the town will vote to accept the balance of the budget as prepared by the Selectmen, and to raise such sums of money as may be necessary.
23. To see if the town will vote to give the Selectmen the authority to hire money in anticipation of taxes.
24. To transact any other business that may legally come before the meeting.

Dated this 1st day of February, 1974.

Report of Police Department

In closing our Police Records for 1973, we find that complaints of both serious and minor nature have increased over last year. We feel that much of this is caused by the lowering of the drinking age. Some narcotics were picked up in town and the cases were handled with the cooperation of the Berlin Police Department.

We sincerely hope that the citizens of Milan have been satisfied with the efforts of our department.

In closing, we would like to thank the Berlin Police Department, Troop F, The N. H. State Police, Sheriff's Department and Selectmen of Milan, as well as the citizens of Milan for their continuous cooperation.

Again we say, thank you.

Respectfully submitted,

HERBERT BALSER

Balance on hand, December 31, 1973		\$142.96

1973 has been a year of progress in our library. Due to the donation of time by Stuart Hawkins, the much needed paint job is being completed. New chairs have been purchased and the entire room is receiving a face lifting. Under the advice of the district library consultant, old, unused volumes of state manuals were removed, making room for new books.

As trustees, we have made an effort to attend book displays and make use of programs available to N.H. libraries.

Our main concern in 1974 is to encourage more use of the library by Milan residents for the borrowing of reading materials and as a meeting place for local groups.

Respectfully submitted,
FLORA DAY, Chairman
ZANITA HAWKINS
ELIZABETH EASTMAN

Fire Chief's Report

The year 1973 turned out to be a quiet year for the Milan Fire Department. We answered few calls in both Milan and Dummer.

In the coming year, I hope we can set up a training program and have more of our men attend fire schools. The town is growing and we have the need for a well trained Fire Department. Perhaps this is the time to set up a study committee and plan for the future?

500 feet of new 1½" hose was added this year, along with three sets of protective clothing.

The Deputy Fire Wardens, along with the good help of every citizen of Milan, enabled us to have an exceptionally good year with preventing forest fires.

The members of the Milan Fire Department would like to thank the committee and citizens of Milan and Dummer for the work and training to get the ambulance into operation.

List of Equipment

Chev. tank truck, 1,000 gal. and two-way radio	4 1½" nozzles 1 2½" nozzle
GMC 6x6 tanker, 750 gal.	1 Pick Axe
GMC 6x6 tanker, 1,000 gal. (Forestry)	2 Axes 2 Shovels
Dodge 4x4 w/marine pumper	4 Back Pumps
2 Portable Pumps	2 Ladders
900 feet of 2½" hose	3 Hand Spot Lights
1,000 feet of 1½" hose	1 Hydraulic Jacks
400 feet of 1½" hose (Forestry truck)	1 First Aid Kit
3 Sets Protective Clothing, w/boots	

Respectfully submitted,

A. H. MacDOUGALL

Fire Chief & Civil Defense Officer

Bicentennial Committee Report

At Town Meeting, 1972, we raised \$1,500.00 to pay off the balance owed by the committee. Soon after Town Meeting, the committee got together and the balance due was paid by the Selectmen. The balance due was \$1,450.00.

As of December 31, 1972, the balance due the town was \$900.00 and the inventory was \$6,430.00.

As of December 31, 1973, the inventory was \$5,930.00 with the committee turning over \$500.00 to the town. The balance due the town is now \$400.00.

WILLIAM S. HAMLIN,
Chairman

Milan Home Nursing Center

Annual Report December 31, 1973

Last spring the Selectmen of Milan appointed members to serve on a board to plan, organize and implement a home nursing program. Mrs. Donna Roberts assumed the task of planning for an organizational meeting. In July, Miss Betty Noyes, R.N., Home Nursing Agent, State of N.H. attended and outlined the steps necessary to organize a home nursing program.

Election of officers took place in Sept. Naming the agency, writing the by-laws, policies and job descriptions followed and more than 150 hours of volunteer work was contributed making it possible for the Center to begin operation by mid-November.

Miss Eleanor Kenny, R.N., State Nurse, served as Consultant; Mrs. Donna Roberts, R.N. agreed to be the Center Nurse; and Dr. R.H. McVetty consented to serve as physician on the Medical Advisory Committee.

Letters were sent out to all physicians in the area, all regional hospitals including Mary Hitchcock and other agencies providing service to the people of Milan, introducing the nursing service.

The City of Berlin Health Department was contacted the first part of October as a possible billing agency. Unfortunately, the formal contract has not been formulated and cannot be signed until it is submitted to the Center, which should be in the near future. At such time, Medicare billings will be handled.

We have just begun operations and look forward to a productive year in serving those in need and will appreciate your continued support in promoting good health.

Warrant

THE STATE OF NEW HAMPSHIRE

To the inhabitants of the School District of the Town of Milan qualified to vote in District affairs:

You are hereby notified to meet at the West Milan Town Hall in Milan in said District on the 5th day of March, 1974, at 9:00 in the morning to act, by ballot, upon the following subjects:

Polls will be open for voting from 9:00 A.M. to 6:00 P.M.

1. To choose a moderator for the ensuing year.
2. To choose a clerk for the ensuing year.
3. To choose a member of the School Board for the ensuing three years.
4. To choose a treasurer for the ensuing year.
5. To choose two auditors for the ensuing year.

Given under our hands at said Milan this th day of February, 1974.

SARA CORDWELL, Chr.
ALTA CAMPBELL
DANIEL BENNETT

Warrant

THE STATE OF NEW HAMPSHIRE

To the inhabitants of the School District of the Town of Milan qualified to vote in District affairs:

You are hereby notified to meet at the West Milan Town Hall in Milan in said District on the 4th day of March, 1974, at 8:00 P.M. in the evening to act upon the following subjects:

1. To determine the salaries of the school board, truant officer, auditors, treasurer, moderator, and clerk.
2. To hear the reports of agents, auditors, or officers heretofore chosen and pass any vote relating thereto.
3. To see if the District will vote to authorize the School Board to make application for and to accept, on behalf of the District, any or all grants or other funds for educational purposes which may now or hereafter be forthcoming from the United States Government, the State of New Hampshire, private individuals, or corporations or any Federal or State Agency and to expend same for such projects as it may designate.
4. To see if the District will vote to accept the provisions of Title I, II, III, Public Law 89-10 (Elementary & Secondary Education Act of 1965), and to appropriate such funds as may be made available to the District under such Federal Act for such particular projects as may be determined by the School Board. Further, to see if the District will authorize the School Board to make application for such monies and to expend same for such projects as it may designate.
5. To see if the District will vote pursuant to RSA 31:105 to provide indemnification for district employees, school administrators, school board members, district officers or agents from personal loss or expense including reasonable legal fees and costs, if any, arising out of any claim, demand, suit or judgment by reason of negligence or other act resulting in accidental injury to a person or accidental damage to property providing the indemnified person was at the time of the accident acting within the scope of his employment or office.
6. To see if the District will vote to raise and appropriate \$6,825.23 as a deficit appropriation before June 30, 1974, to enable the District to make full payment on the District's tuition obligations to Berlin under the AREA plan.

7. To see what action the District will take in appointing a cooperative school district planning committee of three voters, including a school board member, two of whom shall be appointed by the moderator, and one of whom shall be appointed by the school board, to work with a similar committee appointed by the Dummer School District, to study the feasibility of forming a cooperative school district in accordance with RSA chapter 195 as amended by Laws of 1955, chapter 334, and to prepare a report to be presented to the voters at either a special meeting or at the next annual school district meeting or subsequent school district meeting thereafter.
8. To see if the District will raise and appropriate the sum of \$3,000.00 for purchase of a three acre tract of land adjacent to the school.
9. To see if the District will raise and appropriate \$2,500.00 for the installation of a new roof on the Milan Village School.
10. To see if the District will raise and appropriate \$616.00 for the installation of storm windows on the Milan Village School.
11. To see if the District will vote to approve the formation of a 10 member building committee to formulate plans for the construction of an addition to the Milan Village School.
12. To see if the District will vote to approve the tuitioning of its grade 5 and/or 6 to the Berlin School System in September 1975.
13. To see what sum of money the District will vote to raise and appropriate for the support of schools, for the payment of salaries for school District officials, and for the payment of the statutory obligations of the District.
14. To transact any other business that may legally come before this meeting.

Given under our hands at said Milan this th day of February, 1974.

*The starred items are required by law to be raised as determined by the proper authorities. The District determines the salaries of the District Officers. The Supervisory Union Board decides the local share of the Superintendent's salary and other Union expenses. The share paid by the several Districts toward the Superintendent's salary for 1973-74 is as follows: Dummer, \$224.40; Errol, \$958.80; Gorham, \$13,302.50; Milan, \$1,230.80; Randolph, \$737.80; Shelburne, \$545.70; State Share, \$2,500.00. The Teacher's retirement and the State Employee's Retirement Assoc. assesses the amount for the Superintendent's Retirement and other District employees that belong to the system. In those towns that are under Social Security, the amount to be paid by the District is established by law.

ANTICIPATED REVENUES

June 30, 1974, Balance	\$ 0.00
Sweepstakes	1,800.00
Foundation Aid	28,000.00
School Lunch	600.00
Gasoline Tax	600.00
Aid to Foster Children	<u>1,000.00</u>
	\$32,000.00

The Milan School District's share of the N. H. Business Profits Tax for the 1974-75 school year is not paid to the District but is credited to it against the amount to be raised by taxation.

1974-75 — \$3,539.00

Report of Superintendent

To the Citizens of the School District of Milan:

Each year it is the intent of my report to inform you, the Milan voter, of the significant happenings which have taken place during the past year as well as to outline to you the problems which will need to be faced by the town in the future. In both cases I hope my report is adequate to keep you reasonably well informed by giving you enough information to help you in making the decisions that will have to be made.

Changes for 1973-74

The decision made by the people of Milan last March to add one classroom teacher and convert the lunch room into a classroom has since taken place.

Mr. Peter Buehler was employed as the 5th & 6th grade teacher with some 19 children in his classroom.

The decision also necessitated a change in the classroom arrangement. We now have a grade 1, a grade 2 & 3, a grade 3 & 4, and a grade 5 & 6.

The results of the change carried several hardships. These involved a lack of adequate space to feed the children, operate our school clinics, operate our remedial program under Title I, hold meetings in what was the lunch room, and prevented us from completing the requirements for the N. H. Elementary School Minimum Standards in Physical Education. In addition there tends to be more confusion as there may be several activities taking place at one time in a given part of the building. However, even with the increased problems a long stride forward has been taken to improve the process of education locally.

Tuition Budget

The total tuition budget for the 1974-75 school year will total approximately \$103,000.00. This amount plus related cost represents about 62% of your total budget for the coming year.

The 1973-74 budget as approved last March covered 104 tuition students. As of this date we have actually enrolled 119 students or 15 more than we expected or budgeted for a year ago. The results of such an increase is added costs far in excess of what was raised by the town. A comparison of both planned and actual figures appears as follows:

Tuition Roll		
Grade	1973-74 Budgeted	1973-74 Actual
7	16	21
8	16	16
9	18	26
10	9	8
11	20	23
12	13	13
Special	4	6
Parochial	6	6
Contingency	<u>2</u>	<u>0</u>
	104	119

The increased enrollment outlined above will cause us to exceed our tuition budget of \$82,073.81 by some \$7,228.00. Though we planned for some extra students we had no way of knowing or expecting 15 more. Unfortunately we now have the problem and will have to deal with it.

Another way of accentuating the tuition problem we have would be to compare what we have actually paid in past years with what we can expect to pay for the school year 1974-75. A comparison chart follows:

1969-70	\$ 43,932.88	
1970-71	70,675.81	
1971-72	57,818.38	
1972-73	68,020.98	
1973-74	89,302.08	Projected*
1974-75	102,929.00	Budgeted

*Includes tuition cost of special education children.

These figures clearly show the problem we have with numbers of tuition children as well as with tuition rates which have been and will continue to climb.

The tuition rates charged to Milan by the Berlin School System have climbed like all other costs. The chart below illustrates this point quite well:

Year	Elementary	Jr. High School	Sr. High School
1969-70	\$400.00	\$425.00	\$600.00
1970-71	450.00	450.00	625.00
1971-72	543.98	506.33	686.30
1972-73	548.43	703.53	744.62
1973-74	590.53	858.48	812.07
1974-75	645.12	912.48	920.40

These figures show that over a 6 year period the tuition rate per elementary child has risen 61.3%, per junior high student 114.7%, and per senior high school student some 53.4%. One must realize these costs will not stop here but will continue to climb in the future. More important, the costs will increase at a faster rate than in the past. My prediction is based on two facts which none of us can escape, the increased rate of inflation and its related influences on education, and the predicted decreased enrollments in Berlin. The latter will simply mean more dollars spent for fewer students. The results are simply higher per pupil cost for people in Berlin as well as for those towns sending their children to Berlin schools. Therefore, one can predict with some degree of accuracy that the tuition portion of your budget will increase and by 1976 will exceed \$120,000 per year with more to come in the future.

School Warrant

Your school warrant this March will place you, the voter, with perhaps the most difficult decision you will be required to make for many years. What you decide on some three key questions will determine for many years in the future what will happen to your children as it regards their education. Though some of us may advise you and provide you with all the facts the final decision will be yours and the end result will be of your making. Therefore it is extremely important that as many people as possible be present when the key decisions are made.

The articles to which I refer are articles No. 7, No. 9, and No. 10. These three articles represent the three options available to Milan at this time. All of them represent added cost of one kind or another, the details of which you will need to become knowledgeable about before you make your decision.

Article 7 of your warrant would establish a committee to study the feasibility of a two town cooperative school with Dummer. It would be the work of the committee to meet with a similar committee from Dummer to look into all aspects of a cooperative school plan. The committee would report the results of its work to the people of each town so they in turn could decide whether to pursue it further or whether to drop the entire matter as one without sufficient merit or interest on the part of the people.

The questionnaire of which some 400 were sent to Milan and Dummer residents had disappointing results. Less than 75 people returned them so our sample and the report we will make to you represents less than 25% of the voters of both towns. The results hardly suggest an interest on the part of the people of either

town. It could even be said that the returns clearly show a great deal of public apathy and lack of interest.

Article 9 represents the second option available to the people of Milan. Under this article a committee would be set up to determine the space needs of the local school in order to maintain grades 1-6 in town. Again under this article, no commitment would be made but rather a study would be conducted and a report made to the people. The report would have to include cost estimates as well as the types of space needed to meet the long term requirements of the town.

Article 10 represents the third option on which you, the voter, must decide. The previous two plans would keep your children in town for the foreseeable future and would very much confirm the future of education in Milan. Article 10 on the other hand would allow you to set the opposite pattern by committing the town to a long term tuition program which would most probably eventually result in tuitioning grades 4-12 to Berlin and keeping grades 1-3 in town. Under such an arrangement I would doubt it would be necessary for the distant future to add on to your existing building in Milan. In essence the choice regardless of which way you decide comes down to two key decisions; will you keep your elementary grades in Milan or will you choose to tuition them to Berlin.

Any of the three choices offer you advantages and disadvantages. In the final analysis it comes down to your preference and what you feel you can afford to do. The choice is yours to make.

Article 5 is perhaps another article you should give some attention to. This article, if approved, would protect your school board and other school officers from any personal liability when acting as agents of the town.

In actuality, what would happen would be that any law suit brought against any school district officers would be paid for by the school district and not the individuals themselves.

Budget Deficit

Due to the 15 unexpected tuition students who arrived in town after the March 5, 1973, school District meeting, your school board will have to spend some \$6,800.00 more than was raised last March. This money would have to be raised before June 30, 1974, and paid over to the school to help them meet their obligations under the AREA plan.

The figure of \$6,800.00 will be checked again a few days before the March 4th meeting to determine if any new students

have arrived and increased our cost or whether some have dropped out and the figure could be reduced.

Milan Study Committee

The Milan Study Committee chaired by Mr. Ronald Hawkins and Mr. Rodney Legendre (other members - Mrs. Sarah Cordwell, Mrs. Mona Douglass, Mr. Robert Stanley, Mr. Richard Alger, Mrs. Margaret Nichols) has met on several occasions since March, 1973, in its study of the educational problems of the Milan School District.

The findings of the Committee will be made public at a special meeting planned for the Milan Town Hall for Thursday, February 21, at 7:30 P.M. in the evening.

The alternatives which have resulted from the study have been reduced to three; all of which will be presented to you under Articles 7, 9, and 10 in your school warrant on March 4, 1974.

The details of each alternative will have been provided to the general public at the February 21st meeting. Following any subsequent questions and inquiries, you, the voter, will be asked to make your decision at the annual meeting.

I wish to personally compliment the Committee for its work during the past year. It has been a pleasure to work with them all.

Milan Village School Enrollment

The enrollment of the Milan Village School for the 1974-75 school year will show an increase of some 12 students over the current year. The chart below gives some indication of what we can expect for the fall:

Grade	Enrollment	Teacher
1	20	Margaret Nichols
2	18	Julie Oliver
3	15 — 25	
4	21 — 28	Barbara Elcik
5	20	Peter Buehler
6	10 — 30	
	<u>10</u>	
	104 Children	

Minimum Standards

The Minimum Standards for N. H. Elementary Schools will have been completed with the exception of physical education. It is the interest of your school board to request a waiver from this requirement until such time as facilities may be built or other

arrangements are made to enable the district to conduct classes in physical education. At the present time no space is available for the activity.

Summary

Last year at the end of my report I pointed out that Milan was facing a major crisis in the education of its youth. This same situation exists today except that time is growing short. A decision will have to be made in the near future if the problem is to be resolved on time.

In closing, I wish to thank all the members of your school board, the people of Milan, the teachers, especially Mrs. Margaret Nichols your principal, your lunch director, the bookkeeper of your lunch program, volunteer parents who have helped in the operation of our school and certainly not least your maintenance man. They have all given many hours of their time to provide an education for your children. They should be complimented for their efforts and dedication.

Respectfully submitted,

ROBERT BELLAVANCE
Superintendent of Schools

Milan Village Elementary School

School opened in September 1973 with an enrollment of 88 pupils.

Grade 1	17 pupils
Grade 2	14 pupils
Grade 3	19 pupils
Grade 4	20 pupils
Grade 5	9 pupils
Grade 6	9 pupils

This year instead of three classrooms, we have four, as the dining area downstairs was converted into a classroom. Grades five and six are in that room. As we now have no dining area, the children eat in the classrooms. At lunch time, each child carries his tray of food to his room. This arrangement seems to be working out well. All the children seem to be very proficient in carrying trays up the stairs to the classrooms.

The teaching staff is as follows:

Mrs. Margaret Nichols - Grade 1
 Mrs. Julie Oliver - Grades 2 and 3
 Mrs. Barbara Elcik - Grades 3 and 4
 Mr. Peter Buehler - Grades 5 and 6
 Mrs. Donna Roberts - School Nurse - Teaching Health
 Mrs. Virginia Armstrong - Music
 Mr. William Canby - Librarian
 Mrs. Kay Schutte - Title I Remedial Reading
 Mr. Robert Schutte - Title III School Physical Consultant
 Mr. David Stickney - Title III Learning Disabilities
 Consultant

Mr. Canby, the Librarian, comes in one morning each week. Several interested citizens have volunteered to help in the Library. Their help is greatly appreciated.

Mr. Joseph Labrecque is School Custodian.

Mrs. Rose Rockwell is the School Lunch Director and Cook. Several mothers have volunteered their help in the Lunch Program.

The week of November 5—9, Open House was held in observance of National Education Week. Many parents and friends visited classes during that week.

We had a large attendance at our annual Christmas Program which was presented on December 19. Our Christmas vacation was extended to two weeks due to the energy crisis.

The Milan-West Milan P.T.A. is again active this year and has purchased and installed a T.V. in the new classroom. We thank the P.T.A. for its interest in the school and all it does for the school.

Our enrollment seems to be growing. In 1972 our enrollment in September was 83 pupils. At the opening of school in September, 1973 we had 88 pupils. As of this writing, we have 91 pupils. The increasing enrollment has to be kept in mind as we plan ahead and plan for the future of the Milan School.

Respectfully submitted,

MARGARET F. NICHOLS
Principal

School Nurse Annual Report

The school year ending 1973 presented few health problems. A brief introduction to drug education was included in the health classes for grades one through four. The unit in nutrition education by the U.N.H. Cooperative Extension was completed. A course in nutrition education by George A. Bussell, Consultant, Food and Nutrition Service, was attended in Berlin for ten weeks to aide our nutrition education program. There was no tuition for the course. Text books were purchased by the Supervisory Union. Milan and Dummer pre-school children were included in the Pre-School Vision and Hearing Clinic presented by the Berlin Health Dept.

Fall Activities:

1. Heights and weights.
2. School physicals with referrals - fourth grade and all new students.
3. Visual screening with referrals.
4. Health teaching.
5. Pre-school vision and hearing screening (by cooperation of Berlin Health Dept.)

Spring Activities:

1. Hearing screening with referrals.
2. Three immunization clinics.
3. T.B. testing.
4. Pre-school physicals.
5. Health teaching.

Respectfully submitted,

DONNA ROBERTS, R.N.
Milan School Nurse
